

TECH JUDO INTER-CLUB

REGISTRATION

Tournament Director: Clyde Worthen

Contact Info: email techjudoclub@gmail.com

Tournament director: (201)328-4055

Welcome to our Inter-Club judo tournament registration. We hold these events among invited clubs to help students gain competition experience in a smaller, friendly, moderately competitive atmosphere, without being overwhelmed as can sometimes occur in bigger events. Our spacious facility insures plenty of comfortable seating and view of our mat areas.

New: We welcome coaches and instructors to use this event as a promotional opportunity for competition based belt advancement evaluation for students. We will also hold a Kohaku (take on the line) Shiai for Senior men Green and Brown belt only.

Kohaku Shiai rules and awards to be announced prior to event

Contestants will be matched as closely as possible by age weight, and belt experience level. Contestants can choose to play either **novice** or **advanced** divisions. Each contestant will have at least 2 matches and will receive an award for 1st, 2nd, or 3rd place. Coaches are welcome to advise of any concerns of divisions and matchups.

Note: Proper weight submission is very important for safe and fair competition. **Please submit accurate weight and certify with your coach.**
